Jet-Propulsion Specialist Held by FBI for Deportation

Russian-Born Chinese 'Ace' Refused Bond

Seize 1,800 Pounds Of Classified Data

Los Angeles, Sept. 8—(AP)—With the perjury conviction of Dr. Sidney Weinbaum behind them, federal agents today take up the case of another jet propulsion scientist with an alleged Communist background.

Dr. Hsue-Shen Tsien, 40, alien Chinese specialist, is held without bond pending a deportation hearing by the U. S. Immigration Service which charges he is in this country illegally because of membership in a group that advocates overthrow of the government by force.

Born In Russia

Russian-born Dr. Weinbaum, 52, was found guilty by a federal court jury yesterday of lying about his membership in the Communist party.

Both scientists were engaged in jet research work at California Institute of Technology.

Dr. Weinbaum was removed from a government-sponsored secret laboratory at Caltech after a U. S. security check. Dr. Tsien has headed the institute's Guggenheim Jet Propulsion Center, dealing mostly in research for civilian and commercial use.

Caltech issued a statement that the school has "always had complete confidence in Dr. Tsien's integrity and loyalty."

Albert Del Guercio, assistant immigration director here, said Dr. Tsien was arrested under a section of the 1918 Immigration Act forbidding entry into the United States of a member of any organization seeking overflow of the government by force or violence. Dr. Tsien was admitted for permanent residence as a professor in 1947, after having been here for many years previously on a student's visa.

Documents Seized

On Aug. 24 customs inspectors seized 1,800 pounds of documents classified as secret, confidential and restricted which Dr. Tsien had consigned to himself in Communist China. The Immigration Service said he himself had planned to leave for China, Aug. 29.

Dr. Weinbaum indicated he will appeal the jury's verdict, which found him guilty of three counts of perjury and one of fraud. The fraud alleged was concealing membership in the Communist party while at Caltech, the perjury involved denying membership before an army work board.

Weinbaum also denied at his trial that he had ever been a Red. The government, however, said he joined a party branch in 1937, resigning in 1939.

5 Area Students Get High Honors At State Normal

Normal, Ill., Sept. 8—Five Dixon area students were on "the dean's list" released today by Illinois State Normal University.

The list was a new way of recognizing scholastic achievement of pupils. From now on, the schol will publish a list of the students who received no grade lower than a "B."

It will emphasize the fact there are students with good scholastic averages other than those honored at commencement and at the Annual Honors day convocation, which recognizes seniors in the upper three per cent of their class.

The Dixon-area students honored were Joanne Cleary, 403 Monroe avenue, freshman; Bill Reigle, route 1, freshman; Mary Jeanne Fanelli, Amboy, sophomore; Charles Haines, Polo, freshman, and Rosemarie Castelli, Stillman Valley, senior.

Arthur Godfrey on Active Naval Duty

Washington, Sept. 8—(AP)—Arthur Godfrey will spend next week on active duty at Naval Air Stations at Pensacola, Fla., Corpus Christi, Tex., and Memphis, Tenn.

The radio and television actor has a reserve commission as lieutenant commander and has had considerable experience as a civilian pilot.

RADIO PRODUCER—Neil Reagan, the second of Mrs. Nelle Reagan's sons, went on to a career in radio while his brother Ronald hit the top of the film stardom ladder. Neil, who was graduated from Dixon high school in 1925 and later from Eureka college, started his radio career as an announcer on station WHO, Des Moines. Then he went to WOC, Davenport, as a program manager. After heading west, he worked as a news commentator for a Hollywood station. He hit the top of the radio ladder as a producer, the most notable success being "Doctor Christian," a coast to coast show. He still produces the series. Neil also is manager of the McCann Erikson Radio Advertising agency in California. He's married to a former Des Moines girl and they live in Bel Air, Calif.

Bermuda in Path of 140 MPH Winds

Miami, Fla., Sept. 8—(AP)—A hurricane with winds up to 140 miles an hour was stalled 200 miles southwest of Bermuda today, threatening the tiny British island resort.

Winds of hurricane force (75 miles per hour or more) extended outward 80 to 100 miles from the center and the Weather Bureau warned that Bermuda may get "dangerous winds."

All planes were evacuated from the U. S. air force base at Kindley Field there. They flew to Westover air force base in Massachusetts.

Future movement of the storm is uncertain, the Weather Bureau said, but added it is not expected to be more than five miles an hour for the next few hours.

The hurricane raked Antigua island, 250 miles southeast of Puerto Rico, a week ago with damage estimated at $1,000,000 before moving up the Atlantic toward Bermuda.

Florida was still counting damage from an erratic gulf hurricane that left three persons dead, more than 400 homeless and damage of $3,000,000.

Car Stripper Here Does Thorough Job

"The most completely stripped car I've ever seen" was Police Chief Harry J. Fischer's description today of an auto stolen Thursday night from Otto Atterbury, a Rockford newspaper circulation man.

Atterbury reported the loss to Dixon police about 8:30 this morning and the car was found a short time later on Stony Point road, sans a new battery, four new tires, a radio and an electric clock.

The car was stolen from in front of 306 E. First street. Atterbury has been staying at the Blackhawk hotel.

Not the Right Man, Maybe, But God's Help, Yes

Red Bay, Ala., Set. 8—(AP)—Bishop Homer A. Tomlinson, general overseer for the Church of God (New York headquarters), today announced he will be a candidate for president of the United States in 1952. He said the government needed "a man of God" as its head.

He made the announcement at the 45th general assembly of the church in session here.

Two More Gals In Running as 'Miss America'

Atlantic City, N. J., Sept. 8—(AP)—Misses South Dakota and Alabama have been added to the preliminary contest winners in the Miss America pageant.

That means that in their respective groups—of 18 girls each—they scored the largest number of points toward getting into the Saturday night finals. Fifteen of the 51 girls will compete Saturday night for the title of Miss America 1951.

A Talented Toots

Irene O'Connor of Burbank, South Dakota, a 20-year-old black-haired junior from the University of South Dakota, outpointed 17 others in last night's talent contest with a dramatic rendition of the dedication of the white armor, a scene from the play "Joan of Lorraine."

She wore a medieval-type white gown that extended from her throat to her ankles. She stands five-feet, seven inches, weighs 123 pounds, and has a 36-inch bust and 25-inch waist.

Lolande Betbeze of Mobile, Ala., took the bathing-suit preliminary last night.

Sounds Pretty Neat

A white bathing suit set off the brunette's sun-tanned complexion. She is 21-years-old, five-feet, five and a half inches tall, and weighs 119 pounds with a 35-inch bust and 24-inch waist.

In the course of three nights, ending tonight, each girl competes in bathing suit, evening gown, and talent contests, which narrow down the contestants to a final 15.

The girls represent 46 states, four cities, Alaska, Hawaii, Canada, and Puerto Rico.

Dixon Brothers Met Recently on Pacific Island

Two former Dixon and Polo brothers met recently, after nearly five years, in Okinawa. The meeting came about when Chief Pay Clerk Howard L. Toms of the U. S. Navy and Pfc. Donald R. Toms of the army, sons of Earl L. Toms, 417 East Third street, Dixon, met in Okinawa when the former's ship, the U.S.S. Sarasota Sound, docked there for a short time. They hadn't seen one another since March of 1946.

Howard has been in the navy 11 years and Donald is on M.P. duty in Okinawa. Two other brothers, Cpl. James E. and Pfc. Marvin E. Toms are serving with the army in Japan.

NOW IT'S ALL GEORGE'S—The Beier Bakery, one of Dixon's oldest industries, is now the sole property of George H. Beier, above, 306 North Jefferson avenue, The Telegraph learned today. Founded 81 years ago—"Baked Fine Since '69"—the Beier Bakery has been in the hands of members of the family since that time. However, during the past five years there had been a "working agreement" between George Beier and his brother, Arthur, that terminated last week. "It's all mine now," George told The Telegraph, "lock, stock and barrel." The agreement between Arthur and George was liquidated at a meeting of the two brothers and their attorneys a week ago Tuesday, but due to the death of Mrs. George Beier's father, the announcement was withheld until today

George Beier Is Now Sole Owner of Bakery Business

The echo of Civil war guns had scarcely died out in 1869 when Rheinhold Beier baked 40 loaves of bread in a tiny building in Dementtown—the beginning of a Dixon institution, Beier's Bakery—now under the sole proprietorship of George H. Beier.

That was back in the days when every housewife was a baker and when every kitchen was a fully-equipped bakery.

Competitive Pastime

As a matter of fact, home-baking probably was the most competitive pastime of the day. Recipes were guarded zealously by some who gave their secrets of golden brown bread only to the next generation.

The only market for bread in those days appeared when housewives had unexpected company call or when a new batch of loaves was too hot to cut for the next meal.

Beier hung on however, and in

(Continued on Page 6)

White Clover Tags On Sale by Amvets

Dixon's Amvets of World War II and the auxiliary will walk the streets tomorrow, Saturday, selling "White Clover" tags to provide tax-free cigarettes for hospitalized veterans.

Each year the sale is conducted as near as possible to V-J day to honor World War II dead and to provide funds for a rehabilitation and service program for bed-ridden vets.

Mrs. Carolee Holmes, 819 S. Galena avenue, is chairman of the sale.

River of Mud Traps 128 in Scottish Mine

New Cumnock, Scotland, Sept. 8—(AP)—Rescue teams worked at top speed today to open an escape tunnel for 128 miners trapped 700 feet down and threatened with drowning in a river of mud.

"There are reasonable hopes for the trapped men," a mineworkers' union official said in Edinburgh.

The miners were entombed last night when a rain-soaked surface area the size of a football field sank into the workings of the Knockshinnoch Castle colliery, 30 miles south of Glasgow. The sodden earth mass cut off their path to the exit.

Fear Gas Fumes

Rescuers tried all night and through the morning to clear dangerous gas fumes from an adjoining mine tunnel so they could cut through a 30-foot wall of coal separating them from their imprisoned co-workers.

The entombed men were in telephone communication with the pit head.

"We are in good spirits," one of them reported.

None was reported injured and telephone reports from the men this morning indicated they were getting enough air.

The miners were believed to be together in one room. The mass of mud clogged most of a tunnel through which they were getting air.

They telephoned that there was a six-inch gap between the mud and the roof of the tunnel. They said they were moving coal and

Pvt. Ronald Smith Returns to Duty On Korean Front

Pfc. Ronald E. Smith, Dixon's first casualty in the Korean war, returned to duty Aug. 29, The Telegraph has learned.

The son of George J. Smith, 711½ W. First street, he was wounded July 25. His father told The Telegraph he had received a telegram from the adjutant general of the army, Maj. Gen. Edward F. Whitsell, saying young Smith had been released from an army hospital.

Pfc. Smith's father also said he never learned the extent of his son's injuries nor the location of the hospital where he was treated.

The army informed Mr. Smith, when it first told him his boy was wounded, that it would notify him within five days about both the wounds and the site of the hospital.

DESTINATION ROME! — Roger Shippert, the grandson of Mrs. W. W. Shippert, left Dixon yesterday with grandmother for Chicago. From there, he'll head toward the Vatican and eventually the Catholic priesthood, by way of New York, LeHavre, Paris and Switzerland. His grandmother, who lives at 710 Assembly place, will go on to New York with him. Shippert spent four days here as a visitor. His mother is the farmer Dixonite Katherine Katherine Hersam. He will attend the North American college in Rome for the next six years. He received his elementary education in a parochial school and took his high school work and two years of college at Mount Angel Seminary, St. Benedict, Ore. He's scheduled to sail from New York Sept. 12 and to arrive at the Vatican about the first of October.

Soviets Want China 'in' on Korean Debate

Lake Success, Sept. 8—(AP)—The United Nations security council will discuss Monday Russia's demand that a Communist Chinese representative be invited to sit in during debate on Red Chinese accusations against the United States. The charges are that the U. S. is guilty of aggression against Formosa and that U. S. planes bombed Manchuria.

Russian delegate Jacob A. Malik won the council's consent yesterday to consider such an invitation. That was just after he took a beating on his effort to get the council to condemn "barbaric" U. S. air force bombing in Korea.

U. S. Abstains

The council voted yesterday, 7-3, to take up the question of Red

(Continued on Page 6)

Install Mitchell as Commander of Legion

John Mitchell was installed commander of Dixon Legion post 12 at a joint installation ceremany in the Legion hall Wednesday night.

Roy De Werff, Dr. Irving Katz, Paul James and Leo Prowant were installed senior vice commanders.

Other 1951 officers who took office were Walter Failstrom, adjutant; the Rev. C. L. Wagner, chaplain; George Knouse, finance officer; Gerald Jones, judge advocate; John Naylor, sergeant-at-arms; Albert Ruggles, service officer, and John Earle, historian.

Amboy, Dixon Pairs Get Marriage Permits

Dixon and Amboy couples were issued marriage licenses today in the office of County Clerk Sterling D. Schrock.

They were Dixonites George G. Wallace, 20, and Miss Delores R. Peterson, 20, and Amboyans Donald J. Keho, 27, and Miss Natalia Good, 21.

Now What Deals Do You Suspect Harry's Making?

Washington, Sept. 8—(AP)—Labor union political leaders are having a private huddle tonight with President Truman at a downtown hotel (Statler).

Presidential Secretary Charles G. Ross described the occasion as a round table dinner meeting with about 50 leaders of the AFL's labor's league for political education and the CIO's political action committee.

UNION PRESIDENT WILLIAM LEE AND THE VICE PRESIDENT OF REYNOLDS WIRE, Richard A. Joslyn, write finish to a wage dispute at Reynolds by signing an agreement. It provided that workers in the dry wire-drawing departments be paid an increase of 18 cents over their individual averages, with new incentive rates going into effect Monday. The agreement ended a walkout of some 360 employes, who really lost only one day's work even though they were out from Friday night to Wednesday morning. Seated, left to right, Joslyn, Lee and CIO Field Representative Harry T. Viren; standing, M. J. Dunklau, personnel division, Reynolds; Clifford McConnaughey, vice president of local 2086, and Milton Maurer, financial secretary of the union.

Reds Now Only 7 Miles from Taegu Target

UN Forces Prepare To Meet Onslaught

Tokyo, Saturday, Sept. 9—(AP)—Allied troops hacked out slight gains at opposite ends of the rain-lashed Korean warfront Friday against dangerously rebuilding Red forces.

Little fighting took place on the whole 120-mile battleline. Americans surmised this meant a North Korean buildup during the lull for a new offensive smash.

Drive "Petered Out"

A U. S. 8th army spokesman said the Red drive by 50,000 men on Taegu, main allied base on the central front, had "petered out," probably from lack of supplies and sufficient manpower for the present.

The Reds had pushed to within seven miles of Taegu before the U. S. first cavalry division and South Koreans broke the back of their drive.

General MacArthur's headquarters warned of a possible new offensive either in the southwest, north or east.

The buildup seemed greatest on the southern coastal approaches to Pusan port, chief allied base in Korea.

In Masan port, 27 airline miles west of Pusan, allied authorities ordered removal of all civilians not needed in the war effort.

This was a precautionary measure in the face of a reported offensive buildup to the west and threat of infiltration by Red agents ordered to stir up trouble among the 75,000 population.

Evacuation Begins

Five thousand were evacuated from Masan in the first batch Friday.

Battle Mountain, a rugged peak about 12 miles northwest of Masan on the southwestern front, was retaken Friday by the U. S. 25th infantry division. It was the ninth time the peak changed hands.

Friday night the Reds plastered the mountain with an artillery barrage. Communist infantry struck immediately afterwards.

(Continued on Page 6)

Chocolate Bar's Originator Dies

Plainfield, N. J., Sept. 8—(AP)—William F. R. Murrie, 77, who originated and popularized the chocolate bar, died last night at Muhlenberg hospital.

Murrie, who was the first president of the Hershey chocolate company, retired in 1947 and had lived here since then.

He became associated with Milton S. Hershey, founder of the Hershey corporation, in Lancaster, Pa., in 1896, as a salesman. Subsequently he was appointed general manager and became the first president of the corporation when the plant was moved to Hershey, Pa., in 1903.

Motorists Warned to 'Watch' School Buses

Now that another school term has started, the warning went out today to motorists stop when school buses are loading or unloading.

State law requires all vehicles meeting and following school buses to STOP when the bus halts to pick up or discharge passengers.

A car so stopped is not to start up until the bus is in motion and STOP arm withdrawn. Bus drivers were told to report the license numbers of violators to the State Police.

Air Guard Units To Be Called Up Soon, Is Report

Washington, Sept. 8—(AP)—Five National Air Guard groups—comprising 5,000 to 7,500 men and about 350 planes—soon will be called to active duty.

The Air Force yesterday set this first call-up of air guard units for the near future. It declined to identify the units.

Once the units are placed on active duty, unit members will be given 30 days in which to report. There will be four fighter bomber groups and one tactical reconnaissance group. They are equipped with F-47 Thunderbolts and F-51 Mustang fighters and F-84 jet planes.

The Air Force said the five units will be assigned primarily for close support of ground troops. Altogether the National Air Guard has 84 squadrons, 72 of them listed as fighter squadrons.

DIRECTORY OF DIXON CHURCHES

FIRST PRESBYTERIAN

B. B. Cartwright, Jr., minister

9:30 a. m. Sunday Church School.

8:00 p. m., Evening service. Those who attended Camp Emmaus will have a part in this service.

Tuesday evening: Missionary Society, church parlors.

Wednesday: Ladies' Aid Society.

Pocket Testament League Field Man Coming to Dixon

EUGENE PALMER

Mr. Eugene Palmer, one of the Field Representatives of the Pocket Testament League, whose National Headquarters is situated at 156 Fifth avenue, New York City will be the guest speaker at the Christian and Missionary Alliance church, Fifth and Ottawa, on the night of Sunday, September 10, at 7:30.

The Pocket Testament League which Mr. Palmer represents is a world-wide "carry your Bible" movement, uniting those who agree to make it their regular custom to read the Bible daily and to carry at least a New Testament with them. The original Pocket Testament League was founded by Mrs. Charles Alexander Dixon, when a schoolgirl in Birmingham, England, as a means of winning her friends to Christ. It was launched as a world-wide movement in 1908 by Charles M. Alexander and Dr. J. Wilbur Chapman during their evangelistic campaigns in the U. S., now having spread into many parts of the globe, with established headquarters in at least 12 countries. The aim of the league is to exalt God's Word among Christians as their daily Companion and Guide and to stimulate them in winning souls to Christ with the Bible as their tool.

GOP Picks Successor To Malachy Coghlan

Chicago, Sept. 8—(AP)— The Cook county Republican central committee chose John E. Babb yesterday as the party's candidate for sheriff.

Babb, 43, takes the place on the ballot vacated by the recent death of Malachy J. Coghlan, who had been nominated at the April primary.

Babb, a Chicago lawyer, was president of the Illinois Young Republican clubs in 1937-38, and an unsuccessful candidate for the Republican nomination for congress from the ninth district this year. In 1942, he was defeated in the election for state senator.

He is married and has two daughters. His Democratic opponent in the November election is Capt. Daniel A. Gilbert, chief investigator for the state's attorney's police.

NOTICE OF PRECINCT REGISTRATION OF ELECTORS

Notice is hereby given that qualified electors of Lee County, Illinois, may register in their respective precincts on Tuesday, October 10th, 1950, between the hours of six o'clock a. m. and nine o'clock p. m.; that the place of registration in each of the several precincts in said county are as follows:

Hungary Bars Catholics by State Decree

Budapest, Hungary, Sept. 8 — (AP)—Hungary issued "cease operation" orders today to all Roman Catholic religious orders except those operating state-approved church schools

The decree affected some 11,000 monks and nuns outside the groups designated for teaching duties.

The decree was issued by Hungary's Presidential Council, supreme authority of the Communist-governed country

It also directed that those in the suspended orders must leave their monasteries within three months.

The decree followed a concordat concluded Aug. 30 between the Hungarian government and the Catholic church of this country The government promised in this agreement to return to the Catholics eight former church schools in which monks and nuns will perform the teaching.

The Archbishop Joseph Groeszn dean of Hungarian bishops, had expressed the hope that the pending problem of the religious orders would be solved with "mutual understanding."

Pecan pollen is so fine it can be sifted through a cloth.

A THOUGHT FOR TODAY

All the good of which humanity is capable is comprised in obedience.—J. Stuart Mill.

* * *

'Politics as Usual' in Controls Bill

Take a "little war," mix in healthy portions of politics from both the White House and Capitol Hill, and you get a patched-up economic controls bill like the one just enacted.

There can't be any quarrel with the provisions that would slap limits on consumer installment and housing credit and would channel essential materials into war industries.

But the features dealing with rationing and price-wage controls are something else. They belong in the realm of what the psychologists call "escape literature." They take us away from reality rather than plunge us into it.

First of all, these particular powers are handed to the president on a standby basis only until next June 30. Except in dire emergency, it doesn't seem likely he'd go to the trouble of setting up a new OPA even on a restricted scale, when it might be swept away in less than a year.

The new legislation authorizes the president to try first for voluntary control agreements from labor and industry. If he can't get the agreements or they don't do the job, then he can impose "selective" controls on particular industries.

Some lawmakers objected to this, declaring that only over-all controls will work. But in the limited emergency enforced by the Korean war, general ceilings may not be needed. Why insist on extra work and expense for nothing?

The "selective" idea is all right in principle. The trouble is, that as written into this legislation it contains a patent deception. The president is compelled to put a lid on wages in any field where he considers price ceilings necessary. Or at least, so it seems at first glance.

But a clause in the bill states specifically that the president shall ban pay raises "which he deems would require an increase in the price ceiling or impose hardships or inequities on sellers operating under the price ceiling."

What does this mean? Simply that whenever Truman feels that a wage boost would not compel a rise in the price ceiling, he can approve the pay hike. The discretion is his—not industry's or labor's. Thus the apparently iron-clad insistence that wage and price controls go together is an illusion.

Maybe that insistence is utterly impractical. What worker would be happy watching wages go up in uncontrolled fields while his pay is frozen? But if it is practical, why try to fool people? Why not concede that the president must have discretion in such matters.

Another bad feature. Any ceiling limits on farm commodities could not be set lower than parity prices for those products. This reflects the customary pressure from farm groups which congress, in war and out, seems unable to resist.

Yet why should congress rise above politics when the president himself fails to? It ill behooves him to complain about the expiration date or any other aspect of the price-wage controls in this legislation, because he didn't ask for these powers at all.

Before the Korean war, with the nation relatively more at peace and the economy under less strain, Truman repeatedly over a span of three years asked for standby powers. Perhaps because he was sure he wouldn't get them but would merely reap political benefit from proposing them. Now that a genuine emergency is here, he hasn't sought them. For this is 1950—election time.

Since the control powers probably won't be used, is anybody the loser? Only the American people, who once more have been treated to a show of shoddy politics when statesmanship should be the order of the day.

Abundant Living

By
E. STANLEY JONES

Ps. 62.5; Jer. 15 16; Ps 119 9—16

QUIET EXPECTANCY IN THE QUIET TIME

We have seen that we should choose the morning for our Quiet Time. Of course, if you simply cannot arrange a morning hour, then take any hour you can. But the morning is best. A watch was running slow. The watchmaker asked when the owner wound it, and when told "at night," replied, "Wind it in the morning. Give it the fresh spring at the hardest part of the day, when you are moving about." Give your soul the fresh spring of the Morning Watch before you go out to face the hard part of the day—the daily tasks and problems.

In the Quiet Time what do you do? I can tell you only what I do. When in college I decided I would set aside at least an hour and a half a day to cultivate my Resources. I usually take one half hour in the morning and an hour at eventide. In the morning hour I take my Bible, usually reading a chapter, sometimes only a few verses if they prove to be arresting. I take my pen—that pen is a sign of faith that something is going to come out worth noting on the margin. It seldom fails. If you do not write your inspiration down, it will fade out.

The Bible will be self-authenticating to you. It will find you at your deepest depths. You will know that it is inspired, for you will find it inspiring. You will know that God has gone into it, for God comes out of it. It is a revelation, for it reveals. It is an exhaustless mine. You think you have exhausted it, and then you put down the shaft of meditation and strike new veins of rich ore. Your very brain cells will be eager and alert with expectancy. You will have what Spinoza calls "an intellectual love of God."

Perhaps you will have to be primed and prodded into thought by one of these "helps," such as this book or other devotional literature. But they are secondary, and not a substitute for a first-hand contact with the Word of God. If the best Man that ever lived fed upon the Word of God, so must you.

O God, Thou hast breathed into these words, and they have become the Word. Thou hast touched these ways, and they have become the Way. Help me to saturate my inner thinking, my inner motives with Thy Mind until I cannot tell where my mind ends and Thy Mind begins. Then I shall live fully and safely. In Jesus' name. Amen.

☆ IN HOLLYWOOD ☆

By
ERSKINE JOHNSON
NEA Staff Correspondent

Hollywood—(NEA)—Betty Hutton's flight to Chicago to reconcile with Ted Briskin climaxed a month of headline grabbing by the Blonde Bombshell. There are people in Hollywood who will tell you that Betty deliberately set out to "rejuvenate" her public relations. Anyway, the Blonde Bombshell exploded—and they're still picking up the press clippings.

* * *

Margaret Whiting's final divorce decree is due in a few months but her orange blossom date with Lou Busch has to await his final unknotting from Janet Blair . . . . The big grapevine buzz is that Ann Sheridan and Jacques Mapes will be announcing an elopement any day.

* * *

Bette Davis is wearing a Mona Lisa smirk about the predictions that Gloria Swanson or Gertrude Lawrence will win this year's Academy award. The new Mrs. Gary Merrill expects to be the Oscar-grabber with her performance in "The Story of a Divorce."

. . . Doris Day showed up at the press preview of "Tea for Two," posed for the lensers in the lobby, then sneaked out of a side door a few minutes before the movie started.

* * *

Suppressed desire dept.: To play tennis with Katharine Hepburn and hear her say.

"Really, let's rally."

* * *

There's a double-take for you if you happen to have the Police Gazette's "Bartender's Guide," published in 1944. The cover girl, in black silk tights, is Gale Storm, who teaches a Sunday school class.

A RAFT OF GRAY HAIR

Ann Miller has received MGM's nod on a personal appearance tour that should net her a ton of crinkly green. No television stints, though. . . Maybe George Raft is out to annex the Ezio Pinza fans. He appears in "I'll Get You for This" with his graying hair absolutely unblackened . . . Elaine Scott and John Steinbeck will be making the marriage columns after Christmas. That's when Elaine's divorce from Zachary Scott becomes final.

* * *

Hollywood isn't as anti-Phonevision as press releases would have you believe. Several of the top brass who handle the purse strings in New York are sold on the idea.

The famous Hollywood Guild Canteen, founded by Anne "Mom" Lehr, will not re-open for servicemen in the area. Anne says there's no money available . . . The FBI is cracking down on bootleg 16-mm. copies of feature pictures. Hucksters are offering recent Bette Davis and Barbara Stanwyck films for rental or outright sales to owners of home projections.

BICYCLE BUILT FOR GAGS

Bill Spaulding, former UCLA grid coach, will supervise the football sequences in "Jim Thorpe, All-American." . . . Dancer Gene Nelson's tribute to Jimmy Cagney after working with him in "The West Point Story": "I've learned more from him in one picture than in all the others I've done. He's Mr. Show Business."

* * *

Bob Hope pedals around the Paramount lot on a bicycle bearing a sign: "Bob Hope. Available for Parties, Banquets, Etc." One of his gag men, Barney Dean, also has a bike with a sign: "Barney Dean—Clever Writer." Now Marilyn Maxwell has joined them with a bike for which she wrote her own sign:

"Marilyn Maxwell: Can Sing, Dance and Act—A Little."

Barbara Hale, who has dragged her glamorous self through "Bedtime Story," "Lorna Doone" and "The Jackpot" without rest, says she has an answer for any producer who brandishes a script in her face within the next 10 minutes:

"I'll demand that my family move on the lot with me or that I get an ambulance to carry me back and forth. I've never been more tired in my life."

* * *

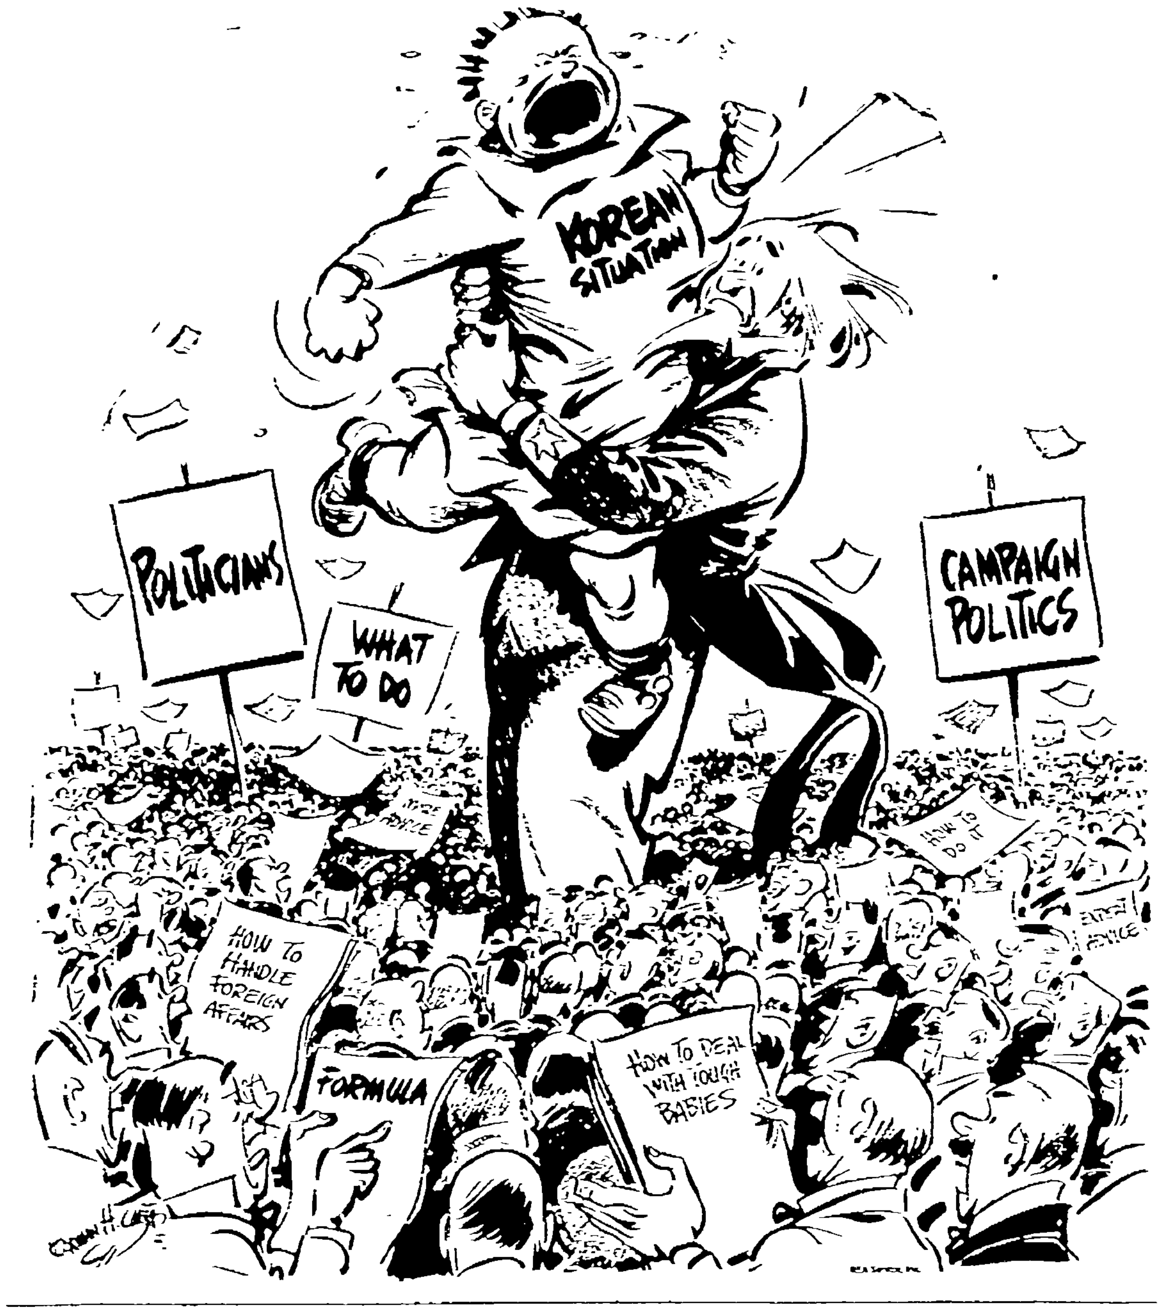
Frankie Laine and Nan Grey have taken a year's lease on a Hollywood manse with a broadcasting room and a direct line to the Mutual network. Frankie and Nan can roll out of bed in the morning and do a Tex and Jinx . . . Susan Hayward is getting her dainty mitt pumped by pals who have seen "Stella," the picture she refused to do.

* * *

UI is looking for a super-smart chimpanzee for the starring role in "Bedtime for Bonzo," story of a young couple who raise a chimp like a baby for experimental reasons. "But not too smart," a studio executive whispered. "We want him to act—not direct the picture."

Talking motion pictures got their start back in 1908. One of the first patents was issued to Eugene Austin Lauste, an engineer who worked for Thomas A Edison.

Comes the Great Army of Experts



French Police Round Up 200 Alleged Reds

Paris, Sept. 8—(AP)—Sweeping down at dawn today, French police rounded up nearly 200 foreign Communists, including some Russians.

There were indications that the police had hoped to grab 300 suspected spies and saboteurs but found many were absent from their hotels or residences.

To Be Expelled

All of the suspects will be expelled within 48 hours, an interior ministry source said, specifying the drive was aimed at crippling fifth column activities by foreign Communists in France.

Police sources said that a Polish princess was among those being questioned, and that among those police had failed to nab were a Yugoslav doctor and a Spanish Communist general named Lister.

In southwestern France, where 30 Spanish Communists were taken, police said they had been offered the choice of being sent to Corsica "or to an eastern country to which they seemed attached" (presumably Russia).

Refuse No. 2 Choice

"One remarked that most of them refused the second choice," said a police communique.

One-hundred persons were taken in Paris, including Czechs, Poles, Rumanians, Bulgarians, and Yugoslavs, another 50-odd in the northern France coal regions; about 15 in the Metz area in eastern France. In Marseille 2,000 persons were questioned, including 400 foreigners, but only six were held.

• BARBS

By HAL COCHRAN

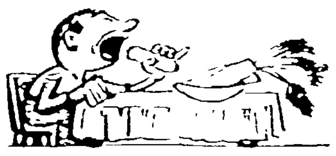
A barber advertises, "The haircut that doesn't look like a haircut." Sounds like a lot of trouble to go to for a shaggy neck.

* * *

Some day the plane companies are going to get smart and limit the calls of teen-agers to five hours.

* * *

A doctor says a man could live on vegetables alone for 100 years.



And we'll bet it would seem like a thousand.

* * *

Too many people go to the movies to forget everything—except not to talk out loud.

* * *

Saving for the rainy days is swell—if you still are enjoying the sunny ones.

What's RIGHT?

While ill in a hospital a member of your family receives flowers from numerous friends but is, of course, not able to acknowledge them.

WRONG: Let the matter go indefinitely.

RIGHT: If there is someone who has the time to write notes or telephone friends that the flowers have been received the matter should be taken care of.

Q's and A's

Q—Is Lake Mead, the reservoir of Hoover Dam, decreasing in volume since its construction because of silt?

A—Hoover Dam is not in jeopardy from silt. At the present rate, it would take until the year 2225 for Lake Mead to fill up with silt. Compaction of the sediment as tons of new silt pile up on it over the years will extend this date to the year 2380. It is planned to build dams upstream from Lake Mead to further hold off the silt flow.

* * *

Q—What are loco weeds?

A—Loco weed or crazy weed is the name applied to several plants of the vetch family native to the Western plains. When eaten by cattle, this weed affects them in much the same way that the use of narcotic drugs affects human beings.

* * *

Q—In flag heraldry, what is the significance of a star?

A—The star is an ancient symbol of India, Persia and Egypt and signifies dominion and sovereignty.

* * *

Q—How much time is allowed between double-headers in the major leagues?

A—In both the American and National Leagues the second game of double-headers generally starts within 20 or 25 minutes after the completion of the first game. According to the official playing rules 20 minutes is allotted but this rule is not always adhered to.

Three Writers Covering War, Die in Crash

Tokyo, Sept. 8—(AP)—Three International News Service war correspondents, four other passengers and four crewmen were killed today when a Korea-bound C-54 transport plane exploded over southern Japan.

The INS office here said the three correspondents were:

Frank Emery, 23, Beverly Hills, Calif., formerly INS bureau chief in Manila; Charles Rosecrans, Jr., 30, Honolulu, and Key Inouye, 23, New York and Tokyo.

Military authorities withheld names of the dead. The Far East Air Forces said the plane exploded about eight minutes after leaving a southern Japan airbase. The bodies were recovered. The cause of the explosion was not determined.

Emery was wounded recently while accompanying a U. S. patrol in Red Korean territory. Randolph Churchill, British newsman and son of the former British Prime Minister, was hit at the same time.

Sixteen war correspondents now are listed as dead or missing in action.

Originally the wireless distress call at sea was "CKD" but this was changed to "SOS" primarily because its coded three dots, three dashes and three dots are much easier read.

In the parlance of radio, an amateur is one "interested in radio technique solely with a personal aim and without pecuniary interest."

Hoover Ready To Nab 12,000 Commies Here

Washington, Sept. 8—(AP) — FBI Director J. Edgar Hoover was reported to have told senators today his agents are ready to arrest 12,000 dangerous Communists if war should break out with Russia.

A member of the senate appropriations committee, asking not to be named, quoted Hoover as telling the group in a closed session that he needs more funds for additional agents to keep a close check on these persons.

He said Hoover wants his agents to be able "to put these people to bed at night and get them up in the morning" in watching their activities.

President Truman asked congress last week for $6,000,000 to finance increased FBI activity due to "the changed international situation."

The FBI told reporters then that the money was needed to permit hiring 835 new agents and 1,218 new clerical workers.

The senate committee called Hoover before it to learn just what he proposed to do with the money.

Hoover was reported to have told the committee that a special problem is posed by the fact that half of the 12,000 dangerous Communists are American citizens, many of them native born.

He was quoted as saying it would be up to the Justice Department to decide whether these persons could be arrested immediately, as well as the aliens.

Senators said the 12,000 have been listed by the FBI as the most potentially "dangerous" — from a national security standpoint—of more than 50,000 known Communists on which the FBI has been keeping tabs.

• SO THEY SAY

Return to the corner ice cream store in the United States!
—Seoul City Sue, Communist propagandist, in broadcast to American troops in Korea.

* * *

I will . . . work on my farm. I will not go back into the Democratic Party.
—Henry A. Wallace, former vice president, on quitting Progressive Party.

* * *

This (Korean) war is the direct result of the pro-Communist policy that dominated the administration through the Yalta and Potsdam conferences and even up to the present time.
—Robert A. Taft (R., O.), U. S. senator.

* * *

America must be vigilant to recognize communism for what it actually is—a malicious evil which would destroy this nation.
—J. Edgar Hoover, director of FBI.

* * *

Because of their high cost and limited supply, atomic bombs will be aimed at large military or industrial targets and areas with concentrated population.
—Gen. Lucius D. Clay, chairman of New York state civil defense commission.

The ribbon tailed bird of paradise has a tail three times as long as its body.

THE DOCTOR SAYS •

Hardening of Arteries Is Unsolved Medical Mystery

By EDWIN P. JORDAN, M.D.

Correspondents frequently ask how to cure hardening of the arteries or arteriosclerosis. The person who can answer this question will be famous indeed! All that can be said now on this subject is that something is known about hardening of the arteries, and that there are many resourceful research workers who are spending their full time studying this condition in human beings in the laboratory and with experimental animals. This work is constantly increasing our knowledge of arteriosclerosis, and should eventually lead to far better methods of treatment than are available now.

What happens in hardening of the arteries? There is a slow deposit of calcium salts in the walls of the arteries which carry blood from the heart to all parts of the body. It should be emphasized that this is a slow process; there is always more calcium in the walls of the arteries of a person of 40 than in those of a child. In other words arteriosclerosis is a part of normal aging, but it progresses faster in some people than in others, faster in some arteries than in others.

Just why this variation in the development of hardening of the arteries should occur, no one knows. It is probable that a family or hereditary tendency is present. For example, there are some families in which most of the members develop arteriosclerosis at about the same age and in the same arteries, such as those arteries supplying the heart, the legs, or the brain.

There is a great deal of work being done on the relation between diet and hardening of the arteries. For example, there is a substance called cholesterol in which eggs and butter are particularly rich and which seems to have something to do with deposits in the walls of the arteries. This substance is being subjected to a great deal of research and may play an important part in the development of arteriosclerosis. (Personally I have not given up eggs or butter yet!) Actually, it is still not clear whether any particular diet will prevent hardening of arteries nor what diet is best for the person who has that trouble.

DIFFERENT SYMPTOMS

The symptoms from hardening of the arteries depend on what arteries are affected and how badly they have become hardened and thickened. The hardened arteries are less elastic than normal ones and unable to carry as much blood, thus interfering with the amount of blood which the tissues receive. If the arteries in the legs are involved, there may be cold feet, a bluish color on the legs, or in severe cases gangrene or death of the tissues of a toe.

When the blood vessels of the heart are involved, there is frequently pain around that organ from climbing stairs or other exertion. This is called angina pectoris.

Arteriorsclerosis is not an easy thing to discuss because so little is known about its prevention or treatment. It is still one of the great unsolved problems of medicine. Those who have it must learn to live with it. Much brainwork, effort and money will have to be spent on it for some time to come.

Dr. Jordan will answer questions from his readers in a special column once a week. Watch for it.

JACOBY ON CANASTA

Play Poor Hand To Limit Losses

By OSWALD JACOBY
Written for NEA Service

When your side needs 120 for its initial meld and you pick up a hand such as this one, K-Q-Q-J-8-8-7-7-6-5-4, you can expect to come out the loser. In fact with such a hand, you can expect trouble even if all you need is 50.

Therefore, when you do get a hand of this type, you should play from the start to limit your losses by getting ready to meld out.

A lot of you readers are going to wonder how you can expect to meld out with a hand that has no wild cards at all, and not even one three of a kind. In fact, they may ask "How are you going to meld at all with that piece of cheese?"

The answer is that if you need 120 and pick up such a hand, you aren't likely to make the initial meld at all, but eventually your partner will. When he does, it behooves you to have gotten yourself into position to help him. The way to do this is to hang on to the cards that you think he is likely to be holding and to throw away those that you won't be able to add to his meld when he finally makes it.

Suppose that after a few rounds of play your hand consists of K-K-Q-Q-Q-J-8-8-7-7-7 and you proceed to draw a fourth queen.

No one has discarded an ace, king or seven. Your partner has thrown one queen and some eights, nines and tens. Each opponent has discarded a jack. Your lefthand opponent has thrown an eight. Everyone has discarded some nines, tens, fours, fives and sixes. You are familiar enough with the discarding methods of the player on your left so that you feel sure that an eight or a jack will be a safe discard. Which should you discard?

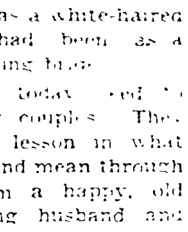
* * *

The answer is that you should throw away one of the eights. You are still a long distance from your 120, and you still expect that the opponents are going to get the discard pile and start making lots of canastas. True, you don't expect to give it away for some time, but you also know that you won't get it. Therefore you want to give yourself every possible chance to be able to help your partner in the event that he will meld from his hand eventually.

You know that when he does meld, he won't be melding eights. He probably won't be melding jacks either, but there is always some chance that he will. Hence, hang onto that one jack, just in case.

Mr. Jacoby is unable to answer individual questions on canasta from readers. However, he will include the most frequently asked questions in his column.

★ RUTH MILLETT ★



Happy Old Couple Can Give Youth Good Lesson

Every young married couple, it seems to me, would benefit greatly from knowing well some elderly couple who have managed to stay happy, alert and in love through the years.

It's the best reminder possible that whether a couple winds up their later years bravely facing what is ahead together the way they started out depends on how much love, mutual respect and joyful companionship they put into their marriage while it is young.

I met such an elderly couple the other day. The wife now is bedridden. But she's no object of pity. Her husband's loving concern for her — all the little thoughtful things he does to make her comfortable, way she laughs at his little jokes, takes pride in the things he is doing that she can no longer do with him—shows that she is a woman loved. It doesn't matter if her hair is snow white and she has to be lifted from her bed to a wheel chair to enjoy the flowers her husband tends so well, because she has always loved flowers.

STILL A BEAUTY

"She's walked hundreds of miles with me on hunting trips," her husband said giving her a proud smile. And then, when he showed me his den, there was on his desk a recent photograph of his wife next to a picture of her taken on her wedding day.

From the way he held each picture for a moment and studied it, it was evident that he found his wife as beautiful as a white-haired woman as she had been as a black-haired smiling bride.

Young couples today need to know such older couples. They are a wonderful lesson in what marriage can be and mean through the years. From a happy, old couple any young husband and wife could learn more about living than from all the "How to—" books ever written by the experts. For the only real experts on living are those who have made a success of their own lives.

SOCIETY NEWS

Newlyweds Make Home On Everett

At home at 356 Everett street are newlyweds, Mr. and Mrs. James B. Merritt, who were wed in late summer at St. Patrick's church. Mrs. Merritt is the former Helen Brechon, daughter of the W. J. Brechons, 506 Peoria avenue, and her husband is the son of Mr. and Mrs. P. A. Merritt, Oregon, Ill. Rev. Fr. J. Malloy officiated at their double ring wedding ceremony for which the church was decorated with yellow gladioli.

William Worley, organist, accompanied Jerry Callahan who sang "Ave Maria" and "Panis Angelicus."

Slipper Satin Gown

The bride and her father who gave her in marriage, entered the church on a carpet of white. The bride wore a gown of white slipper satin fashioned with a lace trim and long train. Her fingertip veil was held in place with a tiara of miniature lily of the valley. She carried a bouquet of camellias. The bride carried out the traditional something old, new, borrowed and blue.

Joan L. Brechon as her sister's maid of honor wore a yellow net over satin gown and a large yellow picture hat. She carried a colonial bouquet.

Ed Gecan, Oregon, was best man and William Cullen and Joe Roberts, were ushers.

Breakfast and Reception

A breakfast for the bridal party and the immediate members of the families was served at the Rice Tea Room. Two hundred guests from Harmon, Oregon, Belvidere, and Dixon, Ill.; Montebello, Calif.; Iowa and Tennessee attended the reception at the bride's home from 3 to 6 p. m. Yellow and white flowers and two large white bells over the table decorated the home. Vashti Bradley poured the punch; Rosemary Vaile had charge of the bride's book; Phyllis Winans and Mrs. William Welch cut the four tiered wedding cake and Catherine Conroy and Ollie Blackburn had charge of the gifts.

A navy blue dress with a large navy hat was worn by the bride's mother and the groom's mother wore a black dress with green accessories. They both wore carnation corsages.

When the bride and groom left on a brief honeymoon, Helen wore a light blue dress with pink accessories and her bridal corsage.

A graduate of St. Mary's school and the Dixon high school, the bride is now employed at the office of the local Montgomery Ward store.

The groom who graduated from the Oregon schools is now employed at the Raynor Mfg. company, Dixon. He is a member of VFW Post 540.

DIXON WCTU TO MEET

The Frances Willard Union of the Dixon WCTU will meet at the Loveland Community House, Sept. 15, at 2 p. m. There will be a program and installation of new officers and directors. The soldiers and sailors department is sponsoring a new project. Members are asked to bring in cancelled postage stamps to this meeting to be used in veterans rehabilitation work.

Visitors are welcome.

—o—

CLASS OF 1924

Reservations are to be made by Sept. 10th with Mrs. Edward Thompson, 403 Van Buren avenue, for the reunion of the Dixon high school class of 1924 to be held Sept. 23, at the Loveland Community House.

—o—

SOUTH DIXON UNIT

The South Dixon unit of Home Bureau will meet at the Loveland Community House, Tuesday, Sept. 12, at 1:30.

MERRITTS CUT WEDDING CAKE—Cutting the wedding cake following their August wedding at St. Patricks church are Mr. and Mrs. James B. Merritt. Mrs. Merritt is the former Helen Brechon, daughter of the W. J. Brechons, Dixon, and the groom's parents are Mr. and Mrs. P. A. Merritt, Oregon, Ill.

Remove Stain In Fast Time

Prompt action is necessary in order to remove suntan lotion or leg make-up stains from clothing.

That's the word from Miss Fern Carl, clothing specialist, University of Illinois College of Agriculture. First, use cool water on the stain, she says. If that does not remove it, send the garment to your dry cleaner as soon as possible.

Prompt action is necessary because some sun-tan preparations contain tannic acid. It forms a stain which may set after several days. Heat may also set the tannic stain. This type of stain is difficult to remove.

Read the label on your bottle of sun-tan lotion. If it contains tannic acid, here are other precautions to follow: (1) Do not use hot water. (2) Never press the garment until the stain has been removed. (3) Do not hang the garment in the sunlight.

Leg make-up may leave a stain around the hemline of your dress. Some of these stains can be removed with cool water; others require special treatment.

First, try cool water on the stain. If that does not remove it, send the garment to your dry cleaner. Complete removal of this type of stain depends on the age of the stain, the fastness of the dye-stuff, and the weave construction of the fabric.

In both cases be sure to pin a note to the garment before you send it to the dry cleaner, telling him exactly what kind of stain it is.

Fall Wedding At Mt. Morris

Mt. Morris—Saturday, Sept. 2 at the Methodist church, Mt. Morris, Miss Louise Goodrich, daughter of Mr. and Mrs. Virgil Goodrich, Mt. Morris, became the bride of Arthur Fegan, son of Mr. and Mrs. Arthur Fegan Sr. of Byron. The Rev. John Nightingale, pastor of the Methodist church, read the double ring ceremony at 1:30. The church was decorated with candelabra and gladioli.

Only the immediate relatives and friends of the families were in attendance. The couple was attended by the bride's brother and sister-in-law, Mr. and Mrs. Virgil Goodrich Jr. of Champaign, Ill.

The bride wore a suit of gray gabardine with blue accessories and carried a corsage of red roses. She wore a single strand of pearls, a gift of the groom.

Reception at Home

A reception was held following the ceremony in the home of the bride's parents. Miss Juanita Glotfelty cut the cake.

After a brief trip to Chicago, the young couple will reside in Mt. Morris. Louise, a graduate of the Mt. Morris high school with the class of '50, at the present is employed at the Citizens State Bank, Mt. Morris. The groom is a graduate of Byron high school and is employde at the George D. Roper Corporation, Rockford.

RICH WATCH—Time-telling is just a breeze for this wrist piece worn by Joan Evans in Chicago. Besides telling time—with a sundial—the piece includes a compass, weather forecaster, magnifying glass, ball-point pen, constellation chart, Morse code chart and plastic tape measure.

Boil green snap beans whole and serve with slivered almonds that have been toasted brown in butter. To sliver the almonds, cut in thin strips immediately after blanching while they are still soft.

To make a delicious sauce for cooked vegetables, add a half cup grated sharp cheese to two cups of medium white sauce.

Betty L. John Wears Taffeta On Wedding Day

The rectory of St. Patrick's Catholic church was the scene of the late August wedding of Betty L. John, daughter of Mr. and Mrs. Max John and James G. Vaile, son of Mr. and Mrs. James H. Vaile. Rev. Fr. John Kilduff officiated at the 10 a.m. double ring ceremony.

The bride wore a navy blue brocaded taffeta dress and a corsage of coral pink roses.

Miss Carolyn Foster was the bride's only attendant. She wore a navy blue taffeta dress and a corsage of yellow roses. The groom was attended by his brother, Tommy Vaile.

Wedding Breakfast

A wedding breakfast was served to the immediate families at the Rainbow Inn, where the table was decorated with a centerpiece of mixed garden flowers.

The newlyweds left on a trip to Chicago, after which they will reside in an apartment at 524 Dixon avenue. The groom is employed at the Medusa Portland Cement company.

Obituaries

HARRY J. MYERS

Franklin Grove—Harry J. Myers, 84, died Wednesday afternoon at the home of his sister-in-law, Mrs. Anna Bechner. Mr. Myers had lived here 10 years.

He was born in Williamson, Pa., on March 27, 1866 the son of John and Elizabeth Retz Myers. He married the former Grace Howbecker. They moved to West Chicago from Pennsylvania in 1886 and then to Franklin Grove in 1940.

He is survived by two daughters, Mrs. George Roach, Oxford, N. Y., and Mrs. Charles Pyfer, Inglewood, Calif.; two sons, Charles, Davenport, and Roy, Ashton, and two brothers, John and Calvin, Greencastle, Pa.

Funeral services will be held Saturday afternoon at 2:30 at the Hicks funeral home, Franklin Grove. Friends may call Friday evening at the funeral home. Burial will be in the Franklin Grove cemetery.

JOHN DAVID MANFIELD

John David Manfield, 69, a prominent Sterling businessman during the past 47 years, died this morning at Community General hospital, Sterling, after an illness of several months.

The body will remain at the Melvin funeral home, Sterling, until 9 p.m. this evening and then it will be taken to the Palmer-Lauer funeral home, 4225 West Roosevelt Road, Chicago, where the funeral will be held Friday at 1 p.m.

Burial will be in I.O.B.A. cemetery at Waldheim.

Mr. Manfield is survived by his wife, Ida, a son, Harry, and Mrs. Louis Rothstein, a daughter, all of Sterling. There are grandchildren. A sister, Mrs. J. Snow, resides in Dixon.

Mr. Manfield was a member of the Sterling Elks and the Sterling Masons. He belonged to and was donor of the Temle Sholom. Born in Russia, he came to this country as a young man and spent time in New York, Chicago and Marengo, Illinois. He came to Sterling in 1903. He retired about a year ago.

JOHN GEIGER

Polo—Funeral services for John Geiger, Polo, who died Monday evening at the home of his sister, Mrs. William Fritz, at Oregon were held this afternoon at the First Christian church in Polo.

The Rev. J. E. Goodballett officiated and interment was in Fairmount cemetery. Mr. Geiger was preceded in death by his wife, the former Mabel Bennett, Polo.

HENRY SCHAFER

Henry Schafer, son of the late Herman and Margaret Schafer, was born in China township on December 27, 1873. On October 10, 1901, he married Miss Dora Gonnerman of Reynolds township. Mr. Schafer engaged in farming in Nachusa township, where he resided his entire life.

He was baptised and confirmed in the Lutheran faith and attended worship services regularly, having served as a council member for 20 years.

He died Sept. 1.

He is survived by his widow and two sons, Arthur and Harry, Franklin Grove; two daughters, Cora, Franklin Grove, and Dorothy, Dixon; two grandchildren, Delbert and Dolores Schafer; a brother, William, and two sisters, Miss Lucy Schafer, and Mrs. John Salzman, all of Dixon.

Funeral services were held at the home and at St. Paul's Lutheran church at Franklin Grove, Monday, Sept. 4. The Rev. O. Kalkwarf officiated.

Wolbart Accepted as Chicago Medical School Freshman

John C. Wolbart of Dixon has been accepted for the freshman class of the Chicago Medical School. Wolbart is a graduate of Carthage College.

Only 72 applications are accepted by the School each year. Over 1700 applications were received for the fall class from 44 states; and requests for consideration were received from 18 foreign countries. Among those finally selected, all have Bachelor's Degrees, and thirteen have Master's Degrees. Fourteen have graduated with honors from their university or high school.

The School opens on October 2nd. Of the total enrollment, 55 per cent are veterans and 58½ per cent of the freshman class are veterans.

The 149 national parks of the United States cover a total area of 160,000,000 acres, more than the area of California.

There are 50 varieties of bananas in Hawaii.

George Beier Sole Owner Of Bakery Co.

(Continued from Page 1)

1877 business had increased enough so that he needed a larger building.

Mr. Rheinhold Beier then bought the old Boston Store building on First street.

While Mr. Beier went on with the baking, his wife took charge of a retail store, arranging appealing displays and waiting on customers. Mr. Beier called her help and advice "invaluable."

Business Grew and Grew

Business grew, and two sons, William and Otto, joined the enterprise. In 1884 a wagon route was established to provide an extra outlet for bakery products. By 1895 "Grandfather" Rheinhold Beier, as he was affectionately called, turned over the business to Otto and William. The boys erected a new building at the rear of the bakery, installed a modern oven, and went on filling an ever-increasing flow of orders.

Otto bought out his brother's interest in 1906, established new wagon routes, added more help, and again enlarged the bakery's facilities. (Otto was the father of George, now owner of the bakery.)

Otto Beier saw possibilities for better service when automobiles appeared. He realized what rapid transportation meant in an ever-enlarging market. He could, for the first time, deliver oven-fresh almost before it had cooled to scores of dealers for miles around.

Deliveries Speeded Up

Consequently, when the Lincoln highway was completed, he launched what was the first long distance mechanized delivery service.

World War I loomed on the horizon, shattered the world, and then left, leaving only time to heal the wounds of cities, farms, forests, soldiers and civilians, minds and bodies.

In post-war era, Beier's continued to progress, plowing profits back into the business, constantly striving for a better product and for better service.

By 1921 it became evident that facilities couldn't take care of the business. So in the following year, ground was broken for a new plant which, in its day, was the finest of its type.

More routes, more orders, better equipment, faster service, all combined in the early '20's to make Beier's something of an institution as far as Dixon was concerned.

Sons Take Over

In 1925 Otto relinquished control of the concern to his two sons, Arthur and George—the third generation. By this time, production had grown from the first modest total of 40 loaves to a tremendous output of 24,000 loaves of bread each day.

The years that followed told the same—more orders, better equipment and service. By 1938, Beier's Bakery was again too small to take care of its customers. The answer, as in the past, was a new plant. This time it was a two-story building, supplying better bread to thousands of customers in a 50-mile radius with a fleet of trucks.

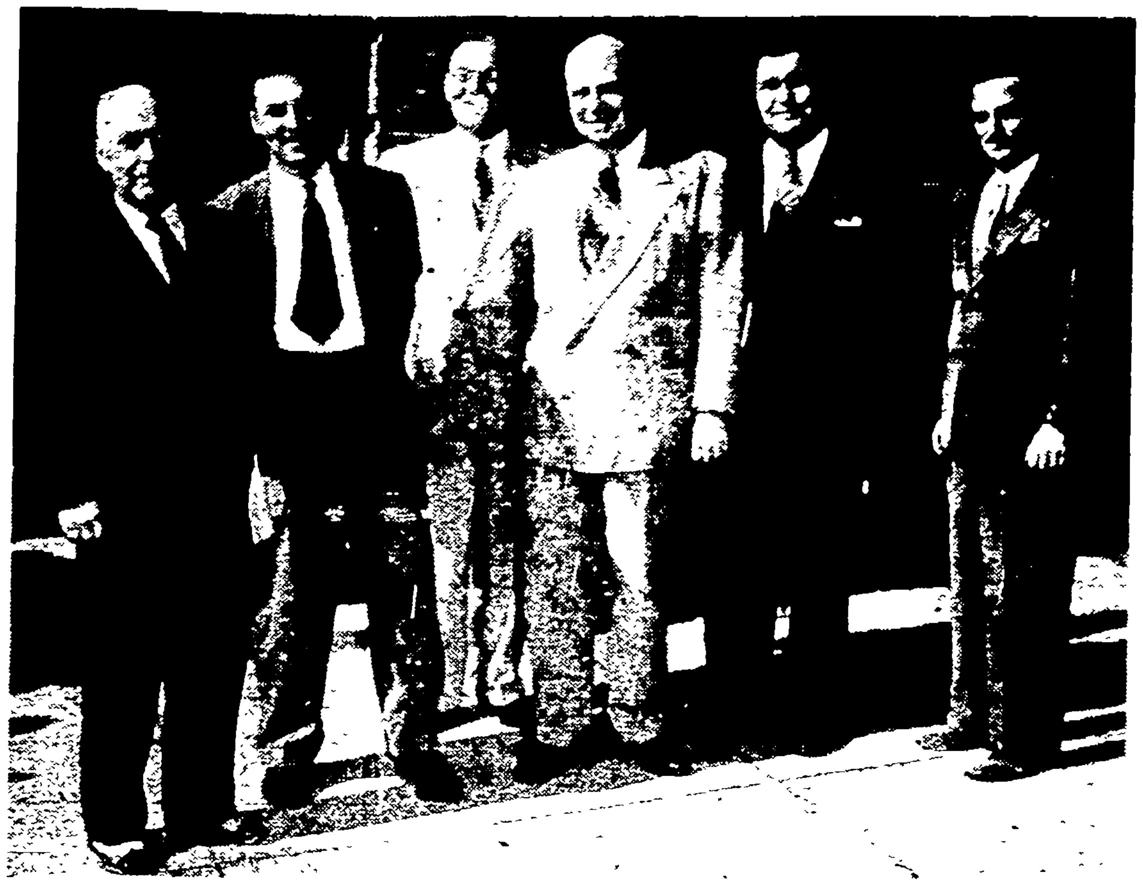
If the past furnishes us with standards to gauge the future, it's not too difficult to predict the future history of Beier's—it'll just keep on growing.

Reds Now Only 7 Miles from Taegu Target

(Continued from Page 1)

American and South Korean troops gained a few yards near the east coast in their efforts to close a five-mile gap in their lines. AP Correspondent Bill Ross at the front reported the U. S. and South Korean troops opened separate attacks through the murky weather to try to close the gap.

The hole remained after hasty battlefront patching had sewed together a bigger hole punched out by a Red breakthrough earlier in the week.



A DEMOCRATIC CARAVAN rolled through Dixon Thursday afternoon, stopping off at city hall long enough to hold a rally for some 30 Democratic workers. They are (from left to right) William Keho, Democratic county chairman; Russell Goldman, congressional candidate for the 16th district and Leo Allen's opponent; Ora Smith, now treasurer but seeking the post of clerk of the supreme court in the November runoffs. C. Hobert Engle, candidate for superintendent of public instruction; Michael Howlett, candidate for treasurer, and Rep. Hugh Considine, who is running unopposed to represent the Dixon-area in the state legislature.

Soviets Want China 'in' on Korean Debate

(Continued from Page 1)

Chinese participation in that debate at its next session. The United States abstained in line with its policy of letting other U. N. members decide the question of Red China's representation at Lake Success.

The vote in favor of the Russian proposal followed a 9-1 defeat of a Soviet resolution denouncing United States air action in Korea as a violtaion of the rules of warfare. Yugoslavia abstained.

Council consideration of Malik's proposal to invite Red China for the Manchuria-Formosa debate does not directly affect the Peiping government's chances of supplanting the Chinese Nationalist representatives in the U. N., but it creates a situation filled with international and domestic political dynamite for the American administration.

A Ticklish Spot

A U. S. vote against the proposal might be interpreted as an attempt to muzzle the Peiping accusers, a U. S. vote for it might be viewed as a softening in America's opposition to the Chinese Communists.

Even if Malik's motion does not pass—and informed opinion here is almost equally divided as to whether or not it will—consideration of it will have delayed an American resolution proposing the creation of an Indian-Swedish commission to investigate the Chinese Communist charge of American bombings in Manchuria.

The U. S. has insisted that such a commission must start work at once before the "trail is cold."

Second Dividend on GI's Insurance Soon

Washington, Sept. 8—(AP)—The Veterans Administration (VA) said today it plans to start paying the second dividend on veterans' insurance on Jan. 1, 1951. Dividends will be paid as each policy's anniversary date comes along and will cover the three year period since 1948.

The dividend total will probably not be announced until this December, but the VA said it will be far below the $2,800,000,000 refunded this year. The actual dividend rate per $1,000 of insurance is yet to be determined.

Touring Democrats in Visit Here, Make Plea for Support

Caravaning Democrats stopped at Dixon's city hall Thursday afternoon and called for the elimination of the "last vestige of the 'gangrene' administration."

The touring Democrats were Michael Howlett, a 200-lb. Irish raconteur running for state treasurer; Ora Smith, currently treasurer but now running for clerk of the supreme court, and Hobart Engle, candidate for superintendent of public instruction.

Goldman Opposes Allen

Russell Goldman, who'll face Leo Allen in the November runoffs, also appeared at the rally for Democratic workers, about 30 of them.

Goldman cited Allen's voting record on social security, civil liberties, low-cost housing and farm supports, saying Allen voted "no and against the general welfare on all issues." Goldman also said Allen voted no on rural electrification, rural telephones and soil conservation.

Howlett, who, if he wins, will replace Smith in treasurer's office in Springfield called President Truman's stand on Korea "courageous" and pleaded for a "B-bomb of brotherhood to see us through these trying years."

Engle Gives Talk

Engle, who'll oppose Vernon Nickell, current state superintendent of schools, said he would launch "special education courses in the first and second grades" if he were elected. Nickell, elected four years ago, was part of Gov. Dwight H. Green's administration, called the "gangrene" administration" by the touring Democrats, who left for Sterling after the meeting.

Engle said many children now in penal institutions and detention would not be there if "special attention were paid to them in the lower grades."

Smith, a self-styled "dirt farmer from Henderson county," said Howlett would have an easy job if he were elected because he'd follow a Democrat.

Lucas Doesn't Appear

Majority Leader Sen. Scott Lucas did not appear with the troupe.

"He's needed in Washington," was Howlett's comment.

William Keho, county chairman, presided at the rally, which included a welcome by Mayor J. Fred Hofmann, the comment by Rep. Hubert Considine that he was relinquishing his time because he would be able to speak to the voters later on in the campaign, and the introduction of Charles M. Kearny, Democratic candidate for county judge, and Dale Flynn, Democratic candidate for county treasurer.

River of Mud Traps 128 in Scottish Mine

(Continued from Page 1)

timber to dam the flow of mud into their chamber.

Eight Men Escape

Eight miners on the pit-shaft side of the cave-in escaped.

The cave-in is believed to have been caused by heavy rain throughout yesterday.

On the surface other miners worked to fill the cave-in with wood, branches and hay so the sides of the hole would not collapse.

Relatives of the trapped men stood around the pithead throughout the night in grim-faced, whispering groups.

Use leftover mashed potatoes to make delicious potato cakes. Just shape the cold potatoes into cakes about one-inch thick and about three inches across, then fry in hot fat until they are a lovely golden brown.

A Tribute--
To Our Firemen!

When fire breaks out at four o'clock in the morning, your alert hook-and-ladder guardians are instantly on the job. Heroically, and ofttimes tragically, these brave men in helmets think only of YOU, your family, and the protection of your property. The Fireman is an integral part of our City Government. He must be always physically fit. He must respond without hesitation at the clang of the bell. Night and day, summer and winter, he must be on call to fight the flames and scale the towering ladder. He is a man of ACTION, upon whom all of us depend. We salute his bravery and commend his faithfulness!

SPOTLIGHT on SPORT

By MARSH JONES
Sports Editor

JIM PHELPS, AN OUTFIELDER with the Reynolds Wire baseball club this season, has returned to Illinois Western State Teachers college at Macomb . . . Jim will be a sophomore at Western.

* * *

COACH JOHN CRIMMINGS, of Lyons high school, Clinton, will have five backfield lettermen to throw at Dixon's gridders next Friday in the opening contest for both schools . . . The Lions Wildcats are defending Illowa conference champions . . . Returning backs include Tom McCutcheon, Jim Young, Pat Hall, Larry Roper and Paul Toland.

* * *

DE KALB HIGH SCHOOL has a total of 32 varsity prospects in line for gridiron chores . . . Coach Rudy Novak opens his tough schedule against Sycamore at DeKalb, September 15 . . . Although most of the squad positions are wide open, Harmes seems to have an inside track on the quarterback post . . . Dixon plays DeKalb on October 13, here.

* * *

BELOIT COLLEGE HAS completed plans to play in the Chicago Stadium this next season . . . Two games are set for February . . . Beloit has won five consecutive Midwest conference basketball titles and 30 straight loop games . . . Ron Bontemps is being nationally mentioned for pre-season All-American rating . . . He'll be a big factor in the Bucs' 1950-51 success.

* * *

THE REYNOLDS WIRE BASEBALL team is hoping for a general warm-up in the weather this weekend . . . On Sunday they tackle the Chicago Rebels, an outstanding collection of top flight players from the big-city area . . . Nelson Potter, long a favorite in this section of the state, will be on the pitching mound for Dixon . . . Potter hails from nearby Mt. Morris and is a former major league star . . . It will be the last taste of some very good baseball played in Dixon during the past summer months.

Eveland Fight Up for Court Round Again

Paris, Ill., Sept. 8 (AP)—The fight between Ernie Eveland and the Paris school board is up for another round in court.

The teacher and deposed high school basketball coach asked circuit court yesterday to compel the board to assign him to classes and pay his claim of $966.66 in back salary.

Judge George W. Bristow immediately assigned the case to the circuit court at Salem with the request it be heard as soon as possible. In two previous court actions in the case, Judge Bristow had refused jurisdiction.

The fight began almost a year ago when the then superintendent of schools, Eugene L. Johnson called for Eveland's resignation on grounds of insubordination.

A court decision held that Eveland still "is a teacher and employe" of the school district and that the superintendent's action was illegal.

Eveland filed the mandamus suit yesterday after Principal Vernon Broadhead refused last week to assign him to classes. Eveland's suit also alleges that Johnson has withheld his pay for last April and May.

Stagg Cooks Up New Plays for University Team

Selinsgrove, Pa., Sept. 8—(AP)—Amos Alonzo Stagg, as spry and chipper at 88 as ever, has cooked up a batch of new plays to surprise his opponents in his 61st year as a college football coach.

"I can't tell you what they are or they wouldn't be a surprise," the "Grand Old Man of Football" told a reporter. "But Mrs. Stagg and I have worked on new plays all winter."

Football coaching is a family affair at Susquehanna University in this central Pennsylvania college town. Amos Alonzo, Jr., is the head coach with his parents serving as his chief assistants.

The elder Stagg is listed as advisory coach but he makes a full time job of it during the fall months. He rarely misses a practice session.

Mrs. Stagg, 86, is the team's official charter of plays and she helps more than a little with advice. During her husband's 41 years at Chicago, she also scouted the opposition.

Bowling Bits

By "FRIDAY"

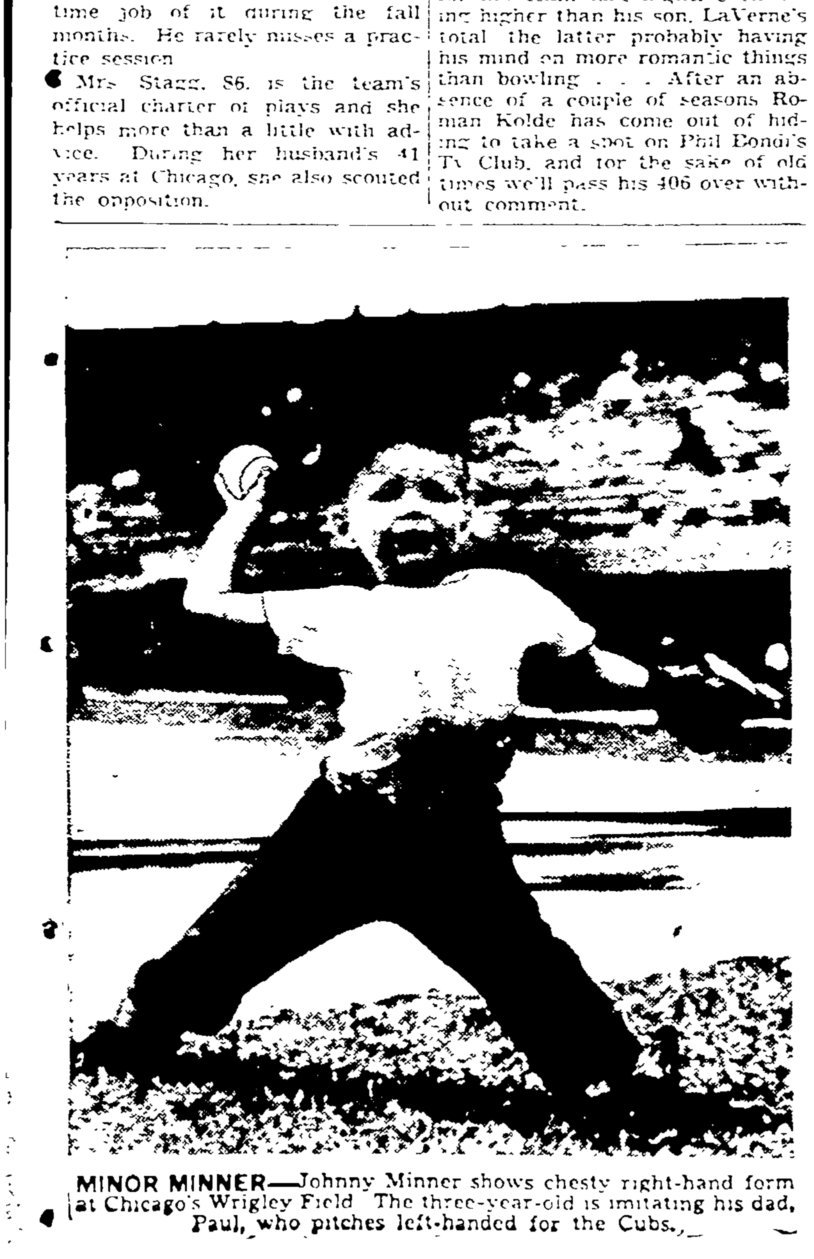
Frank Cline took the spotlight in his second game in the opening tiring of the Commercial league, when he turned in 246 to set the high game mark. Phil Bondi had the high series of the night with 517. Frank's 246 helped his Potts Market set a high team single with 1048, and Hey Bros. had 2820 for the team high series.

Other high games were Hoyle 210, Long 229, Phil Bondi 223, Dwight Hintz 203.

High team bowlers were Wayne Feeds, Long, 530; Cahills Electrics, Frank Keane, 525; Studebaker Sales, Wayne Williams, 493; Marshall Barbers, Arden Strub, 477; Lloyds, Clarence Hill, 518; Max Johns, Max Johns, 458; Hey Bros., Cy Winebrenner, 570; Gerdes Motor Sales, Kniprath, 462; Ty Club, Phil Bondi, 574; Rogers Printing, Ira Starnes, 463; Potts Market, Frank Cline, 557; The Stables, Dwight Hintz, 524; Freeman Shoes, Bill Mooney, 535; Empire Sales, Glenn Hinrichs, 521; Shaw Printing, George Bishop, 512; Fyr Fyters, Cliff Volk, 512.

* * *

There still is a chance for a few keglers to get on teams in the Wednesday and Friday girls loops and the Thursday afternoon men's league. If you are able to roll in the afternoon you should turn your name in to Ken as soon as possible so he may find a spot for you when these leagues start rolling, beginning Wednesday, Sept. 20 . . . We noticed three new entries in the Recreation leagues Wednesday night. Lyle Dierdorf and Al Clayton on Jim Burke's Lawton Dairy five and Max Van Scoy on John Roe's. Both Lyle and Al were in the high 500s for their first night, but Max's score was held down by a series of splits, which gave his team mate Doug Shaw, a chance to tell everyone he was high for the team on the first night . . . In the first week the scores have been lower than they usually are, with Oscar Witzleb's 596 for James Billiards being the high total. Usually some of the keglers hit in the 600s in the first week, but they're all closer to their averages this season . . . Gordy Dempsey had just 13 pins between his sets last night with 156-143-130 . . . Max Johns will be busy today visiting all his carpenters to tell them he was high for his team last night, even being higher than his son, LaVerne's total, the latter probably having his mind on more romantic things than bowling . . . After an absence of a couple of seasons Roman Kolde has come out of hiding to take a spot on Phil Bondi's Ty Club, and for the sake of old times we'll pass his 406 over without comment.



MINOR MINNER—Johnny Minner shows chesty right-hand form at Chicago's Wrigley Field. The three-year-old is imitating his dad, Paul, who pitches left-handed for the Cubs.

Saddler, Pep Fight Tonight in Title Bout

Favor Sandy In 126-Pound Crown Meeting

By MURRAY ROSE

New York, Sept. 8—(AP)—Sandy Saddler boldly predicts, "I'm going to catch him and knock him out."

Featherweight Champion Willie Pep declares confidently, "I'll win."

* * *

Tonight in Yankee Stadium, these two great 126-pounders will get their chance to back up their words in their third and rubber bout for the world title.

* * *

For this 15-round encore, a bumper turnout of between 30,000 and 40,000 fans is expected to contribute to a record gate for "little men"—featherweights down.

Tonight's show may do $250,000. There will be no radio or television broadcasts. The weatherman predicts fair skies. If he is right the last day ticket sale could be tremendous.

Once again the odds favor Saddler. The bookmakers have established the 24-year-old, hard-hitting Harlem Negro as the 5 to 8 choice to recapture the crown from the canny, 28-year-old champion.

Odds May Change

But the odds may change when the expected flood of Pep money from Hartford, Bridgeport and other Connecticut points shows up for the Hartford Hurricane between the 10 a. m. (CST) weigh-in and fight time at 8 p. m. (CST).

Slasher Sandy was the 5-7 favorite in their second clash 19 months ago. Pep won that 15-round thriller and took back the title.

Three and a half months before, Sandy pulled one of the ring's major upsets by knocking out Wiley Willie in the fourth round.

If the gate hits the $250,000 mark, Willie will get about $85,000 on his 45 per cent of the net. Saddler at 15 per cent, could earn $28,000.

Both fighters have gone undefeated since their last meeting. Willie has won 18 in a row and has a total of 152 wins, two losses and one draw. Saddler has won 23 in a row. His record shows 115 victories, six losses and two draws.

Duke Football Season Tickets On Sale Monday

Principal B. J. Frazer announced today that Dixon high school season football tickets for 1950 will go on sale next Monday. No limit has been put on the number available since it is felt that the supply will match the demand.

The price for the four-game ticket is $3.00. The admission cost is $2.50 and the tax makes up the fifty cents additional charge.

Seats will be reserved right in the middle of the new bleachers and will provide takers with an excellent view of the grid proceedings.

The season tickets can be purchased at the Manhattan Cafe or Fulfs Confectionery. Students may buy them at the high school for friends or parents.

The first home game will be with Amboy on September 22.

Spartans Try Scrimmage on Second Day

Chicago, Sept. 8—(AP)—Coach Biggie Munn of Michigan State college is a man in a hurry.

Munn sent his 66-man squad through an intensive scrimmage on the second day of practice yesterday. The results were encouraging, but plenty of defensive work is needed before the Spartans take on Oregon State in their season opener Sept. 23.

Willie Thrower, sophomore halfback from Kensington, Pa., looked sharp on passing and also broke away for several long runs.

Wisconsin's coach, Ivy Williamson, is optimistic about his team's early showing, but plans to put it to the test with a scrimmage tomorrow.

Lowell Perry, sophomore end from Ypsilanti, Mich., showed up well in the University of Michigan's first string lineup, catching passes from all the Wolverine passers. The Wolverines concentrated on end-around plays and passing.

Bierman on Sidelines

Minnesota worked on passing and punting, interspersed with occasional jogs around the field. Coach Bernie Bierman operated from a chair on the sidelines. The veteran Gopher Mentor is suffering from bursitis.

In preparation for an expected air attack from Southern Methodist, Ohio State got a heaping dose of pass defense drills. The Buckeyes, who meet SMU at Columbus Sept. 30, lost the services temporarily of end Dick Anderson, Portsmouth, O. Anderson, who suffered a shoulder separation in yesterday's workouts, will be out at least two weeks.

Neathery Helps Illini

Coach Ray Eliot of Illinois ordered punting drills and defensive work. Herb Neathery, a halfback, stood out in both assignments.

There was good news at Northwestern. Chuck Hagmann, senior end from Erie, Pa., returned to the lineup after a year's absence because of an ailing back. Nick Chochron, junior end from Gary, Ind., became the first casualty. He was unable to work because of a twisted knee, suffered in practice yesterday.

At Notre Dame, Bill Flynn, Gary, Ind., senior tackle was given special attention by Assistant Coach Bob McBride. He was a reserve end last fall.

Yesterday's Sports in Brief

GOLF

READING, Pa.—Ted Kroll shot a 64 [illegible] the second round lead in the Reading open [illegible].

RACING

NEW YORK—[illegible] handicap at Aqueduct.

ATLANTIC CITY, N. J.—[illegible] at Atlantic City.

DOUBLE TIME—Helping the National League-leading Phillies' remarkable pitching no end is the extraordinary double play combination of Granny Hamner and Mike Goliat. Yep, they're Whiz Kids.

Tigers Back in American Lead as Red Sox Threaten

By RALPH RODEN
Associated Press Sports Writer

The Detroit Tigers are back on top in the pulse-pounding American league pennant race today but they had one eye cocked on Steve O'Neill's Boston Red Sox, moving up fast on the outside.

Boston, which has just deflated the New York Yankees in two straight games, is the hottest team in the league. The millionaires have won 20 of their last 23 games, including 18 of 19 in their own Fenway Park.

* * *

Their two victories over the Yanks knocked the New Yorkers out of the lead and restored Detroit to the top by the skimpy margin of two percentage points. The snorting Sox are third, a game and a half behind.

* * *

Creating almost as much furore as the Red Sox are the Brooklyn Dodgers in the National league chase. The Brooks have knocked off the league-leading Philadelphia Phils three straight times in the Quaker city to move to within 4½ games of Eddie Sawyer's reeling Whiz Kids.

Big Question

The big question facing the Red Sox is: Can they keep up their terrific pace on the road? Or will they tail off as in the last two seasons? They hit the rails after a weekend series with the Philadelphia Athletics, whom they've beaten eight straight at Boston.

Boston's road record is 33-32 compared to 49-19 in their own ballyard.

The Red Sox have won only two of seven in Cleveland, three of six in New York and four of nine in Detroit.

The Sox and Yanks are idle today while the Tigers take on the sixth-place White Sox in Chicago.

Both the Red Sox and Tigers had on their hitting clothes yesterday. The Sox outslugged the Yanks, 10-8, while the Tigers battled the Cleveland Indians to a slambang 13-13 10-inning tie that was halted by darkness.

Browns Beat Sox

In other American league games Dick Starr pitched the St. Louis Browns to a 6-0 victory over the Chicago White Sox and Philadelphia downed Washington, 4-2.

A brilliant relief stint by Ralph Branca in the eighth and ninth featured Brooklyn's 3-2 conquest over the Phils in a night game at Philadelphia.

Branca relieved winner Carl Erskine in the eighth inning after Richie Ashburn tripled to begin the frame and promptly struck out Willie Jones and Del Ennis and got Jack Mayo to foul out. He nailed the Phils in order in the ninth. Ennis homered to account for both Philadelphia runs.

The third-place Boston Braves also gained ground by stopping the New York Giants, 6-4.

Cincinnati edged Pittsburgh, 6-4. Ralph Kiner slugged his 43rd homer for the Pirates.

Bob Rush pitched Chicago to a 4-2 victory over the Cards at St. Louis. Hal Rice got both Card hits, a fifth-inning single and eighth-inning homer.

Veteran Ted Kroll Leads Reading Golf

Reading, Pa., Sept. 8—(AP)—Thirty-one-year-old Ted Kroll, a 12-year veteran of the golfing wars but always an also-ran, was the man to beat today as the nation's leading golfers began play in the second round of the $15,000 Reading Open. He carded a sharp 64.

Sammy Snead of White Sulphur Springs, W. Va., was four strokes off the pace at 68, good enough for fourth place where he was deadlocked with a pair of gallery favorites, Lloyd Mangrum of Niles, Ill., and Jim Ferrier of San Francisco as well as Doug Ford, a dark horse contender from Briarcliff, N. Y.

Curt Simmons Leaves Sunday for Indiana

Philadelphia, Sept. 8 (AP)—If Curt Simmons does any more pitching this year it'll probably be for Uncle Sam's army.

The Philadelphia Phillies' ace southpaw from Egypt, Pa., will leave Sunday along with his detachment of the 28th Infantry Division for Camp Atterbury, Ind. The division was inducted into federal service last Tuesday.

Simmons leaves for the service with a record of 17 victories and eight defeats.

FIGHTS

CHICAGO—Tony Spano, 129, Chicago knocked out Bernard Ross, 125, Louisville (2).

South Korea is largely agricultural.

Sterling Stock Car Races Will Be Held Sunday

Sterling—(Special)—Eleven roll-overs, a number of crashes, spin-outs and over the bank rides featured the regular Sunday afternoon stock car racing program at Speedbowl park one-fifth mile track here last week.

The feature event has been increased from 20 to 30 laps and extra laps furnish plenty of thrills and some spills.

Walt Wehmhoefer, driver of No. 6, has rolled and crashed without injury, but this week he suffered a dislocation of his neck when a refrigerator he was unloading from a truck, slipped. He is now in the hospital.

The local races are open competition and there is plenty of keen competition and never a dull moment.

There will be seven big events on the program Sunday, Sept. 10.

Time trials start at 1 p.m. and the first heat race at 2 p.m. (DST)

Amvet Players' Picnic Saturday

All Amvet Junior baseball players are invited to the annual league picnic to be held on Page drive Saturday afternoon. The picnic will start at 4:30 p. m. and players are to bring their parts and socks to turn in at this time to Armand Riopelle.

Deciding Game On Schedule Here Tonight

Grace church defeated Tabernacle and West Side last night in a Church league playoff contest, 20-6. The winning Grace club will clash with Baptist tonight at Reynolds Field for the Church league championship. The game is scheduled for 7:30 p. m.

* * *

The Grace-Baptist contests have been interesting and close all year. Each team has come out on top at various meetings and tonight's deciding battle is expected to draw a large crowd to Reynolds Field, weather permitting.

* * *

Grace church jumped off to a 1-0 lead in the first inning last night. Woodyatt led off with a walk and scored after a fielder's choice and Long's single.

Grace added another counter in the second. D. Reigle singled and came home on an error by the right fielder and Boynton's hit.

Five markers crossed the plate in the third, icing the contest for Grace.

B. Reigle and D. Reigle doubled for the big blows of the inning. Four hits and two errors also contributed to the scoring.

The next three innings saw 13 runs added to the Grace margin. B. Reigle gave up a total of four hits to the losers. He struck out seven batters.

Argentine Driver Is World Champ Threat

Rome—Juan Manuel Fangio, Argentina's speed king, has a good chance of winning the world automobile racing championship of 1950.

Fangio holds a slight lead in points over his two closest rivals for the title—Luigi Fagioli and Guiseppe Farina of Italy. The championship is based on the total points accumulated by drivers who finish among the first six contestants in the international Grand Prix races of Italy, Britain, Belgium, Switzerland, France, Monaco and the U. S. (the Memorial Day Indianapolis Speedway Classic).

Points are distributed as follows: the winner of any of these races gets eight points, the second place driver gets six points, and the third place winner, four. Three points go to the fourth place man, two to the fifth place driver, and one point is awarded for sixth place. In addition to the place points, one point is given to the driver who registers the fastest lap in each race.

Urzetta and Turnesa Head Waite Golf

Shawnee-On-Delaware, Pa., Sept. 8—(AP)—Sam Urzetta, newly crowned amateur champion from Rochester, N. Y., and Willie Turnesa, former U. S. and British amateur king from Elmford, N. Y., head a field of 64 top flight golfers in the fifth annual Bill Waite Memorial tournament today.

Other well known amateurs in the field include Bob Hope and Fred Waring.

Sixteen teams qualified yesterday for the first round of best-ball-of-partners match play in the Old Masters division.

EMPLOYMENT

Female Help

The Prince Ice Cream Castles have openings for competent women between the ages of 30 and 45 to develop for store managers. We appreciate that the best background that a woman can have for this profession is to have been a competent home maker. If for any reason you find yourself in a position with available time and the need of making a substantial income, we feel that we have something to offer you. The work is pleasant and the contacts are with nice family people. The work may require you to leave the community. Let us impress on you that you get a good salary during the training period. If you are interested we solicit a letter from you to arrange an interview with our representative which will obligate you in no way. Write Prince Ice Cream Castles, Inc., 532 E. River Street, Dixon, Illinois.

LEGAL PUBLICATION

NOTICE OF SCHOOL ELECTION

Notice is hereby given that on the 20th day of September 1950 a special election will be held in School District No 26 Lee County, Illinois for the purpose of submitting to the legal voters of said School District the following proposition, viz

Shall the maximum tax rate for the educational fund of School District No 26 Lee County Illinois be established at 50 per cent on full fair cash value instead of 40 per cent the maximum rate otherwise applicable to the next taxes to be extended?

This Board estimates that the approximate amount of taxes extendible for educational purposes under the proposed rate is $2701 52 and that the approximate amount of taxes extendible for educational purposes under the maximum rate otherwise applicable is $2751 00

POLLING PLACE

That for the purpose of said special election the polling place will be located in the Garrison Public School Building in said School District at which place all legal voters residing within said School District shall vote

The polls at such election will be opened at 4 00 o'clock p m and closed at 9 00 o'clock p m on said date

Dated this 7th day of September 1950

By order of the Board of Directors of School District No 26 Lee County Illinois
ART HOBAN
President Board of Directors of School District No 26, Lee County, Illinois

Western Germany Must Be Rearmed to Defend Self

By DeWITT MACKENZIE
AP Foreign Affairs Analyst

One of the certainties of these dangerous days is that any successful defense of Western Europe against a Red advance must be based on the hotly controversial rearmament of Western Germany.

That's a bitter pill for those who not so long ago swore that the instigator of two world wars should not again be allowed to rearm. However, it has to be swallowed.

Another general war not only would involve this keystone of Europe but probably would begin in this central zone where Communism and Democracy face each other across an imaginary barrier. Therefore it's encouraging to hear John J. McCloy, U. S. high commissioner for Germany, say after a conference with President Truman that "the Germans should be enabled, if they want to, to defend their own country." And Secretary of State Acheson followed this up with the statement that it is highly desirable to find an appropriate way for Germany to aid the defense of Western Europe.

Should Work

With the institution of certain safeguards this should work out satisfactorily. I base that supposition on the belief that military aggression is not an inherent characteristic of the German people as a whole. The aggression by the Reich has sprung mainly from one special group of the population—the Prussians.

Prussianism long has been the curse of Europe. It started World War I, and was primarily responsible for the second global conflict.

Hitler loudly boasted that though he was Austrian by birth he was Prussian in spirit. His Nazi creed of conquest was based on Prussianism.

Western Germany Threatened

Western Germany today is threatened, in greater or less degree, by two ideologies. One is the Communism which is straining every nerve to get a grip on the people. The other is the Nazism under which Hitler led the nation into a war of conquest.

Communism, of course, has been a long-standing threat. The crusade was carried on underground with characteristic Red tenacity in Hitler's time, and is being waged openly now.

As for the Fuehrer's Nazi ideology, you'd think the Germans would have had their fill of it by this time. But the fact remains that Nazism still has a fascination for a lot of folks in the Reich.

Thus if Germany is permitted to rearm for the common good of the Western Europe to which she belongs, totalitarianism must be eliminated.

Progressives to Take Ballot Fight Into the Courts?

Chicago, Sept. 8—(AP)— The Illinois Progressive Party said yesterday it will make a court fight for a place on the ballot in the November general election.

The State Electoral Board ruled last week that names of the party's candidates could not appear on the ballot. The board sustained objections filed by the Cook county council of the Veterans of Foreign Wars which contended that the Progressive's nominating petitions had not met legal requirements.

The VFW said many names on the petitions should be disallowed because they either were not registered voters or had voted for another political party in the April primaries.

Sidney L. Ordower, the party's candidate for U. S. senator, said yesterday that the Electoral Board had acted as "rubber stamps for the Democratic party" in its ruling on the Progressive's petitions. He accused the board of "collusion with the VFW and added that "both the Democratic and Republican parties are moving heaven and earth to deny Progressive candidates a place on the ballot."

Chi Gangsters Face Summons To Washington

Chicago, Sept. 8—(AP) - Senate crime investigators were reported today to be preparing legally airtight subpoenas to call to Washington several Chicago gangsters who refused to honor papers served them.

Two more gangsters, Louis (Little New York) Campagna, and Charles (Cherry Nose) Gioe, yesterday defied subpoenas issued by the senate committee headed by Senator Kefauver (D-Tenn).

Paul (The Waiter) Ricca, through his lawyer, refused Wednesday to accept a Kefauver subpoena because Kefauver's name was rubber-stamped on it and his committee was not in session.

Sources close to the committee said it probably will issue new, "strictly legal," subpoenas to force the former associates of Al Capone to appear before the committee with records of their financial transactions since 1939.

Ricca's lawyer yesterday appeared before Federal Judge Michael L. Igoe to determine whether Ricca is free on parole. The government is trying to revoke a 1947 parole granted Ricca. Paroles of Campagna and Gioe also are in the courts of appeal. Judge Igoe continued Ricca's hearing to Sept. 29.

Ricca, Campagna and Gioe were paroled in 1947 on ten year prison sentences for extortion in connection with a shakedown of the movie industry.

Amboy's Fall Festival Is Now Underway

Amboy—Amboy's giant Fall Festival opened Thursday in Green River park and will continue through Saturday.

Sponsored by the Chamber of Commerce, the Festival includes WLS radio stars, concerts by the Dixon State hospital band, the Dixon barber shop singers, rides, concessions and displays of everything from small electrical gadgets to trucks.

Dyer's Greater Shows has set up rides and concessions on the Midway, and there'll be four locally-operated lunch stands.

Here's the program for the remaining days of the Festival:

Friday afternoon and evening — Reggie Cross, harmonica virtuoso, of WLS.

Saturday afternoon — "Salty Dan" Holmes, "Mattie" O'Neal and Tom Corwin from WLS. Concert by the State hospital band.

Saturday evening — Holmes, O'Neal and Corwin. Program by the Dixon Barber Shop singers.
